

*Staying close to your customers
has never been more important...*

Introducing
TOUCH*point*

A simple, affordable online program
designed to help you

- **boost sales and improve loyalty**
among current clients; and
 - maintain regular contact with
your most important market.
- 

What is TOUCHpoint?

TOUCHpoint is a monthly email bulletin delivered from you to your customers. It's fully customized for your business, uses your logo and corporate colours and carries a name that works with your corporate identity.

Best of all, we do all the work!

(No email addresses? We can help you build your contact list quickly and easily.)

We take care of the design, the writing, the content, the list (and updates), the distribution—everything!

TOUCHpoint

- is simple and affordable
- is professionally written and designed
- is fully customized for our business
- provides measurable results

Most of all...

- it keeps you “top of mind” with current customers, your most important market

Call us today to start boosting sales and improving loyalty—quickly and easily!
